We kindly request all parents to procure the required uniform items by April to avoid any last-minute inconvenience. From the very first day of reopening, it is mandatory for students to wear the full school uniform as specified for the days, outlined in this circular and the school diary.

It is once again reiterated that purchasing the uniform and materials from the vendors listed by the school is **not mandatory**. Parents are free to procure them from any source of their choice; however, they must strictly adhere to the prescribed fabric & article type and stitching style to ensure uniformity.

Additionally, we would like to emphasise that attire and grooming are integral parts of the school uniform. Boys must keep their hair neatly cropped, combed short and tidy. It should not touch the eyebrows or collar and spiky, punk-styled, straightened or coloured hair is strictly prohibited. Sideburns should be even in width, not flared and end with a clean-shaven horizontal line. Girls must keep their long hair plaited or tied up neatly with a black hairband or black hair tie. Accessories such as hairbands and hair clips must be black. Students are not permitted to wear ankle socks or any other socks apart from the prescribed school socks. Students are not permitted to wear slippers or other sport shoes to school.

We appreciate your support in maintaining the discipline and uniformity of our school.

Warm regards,

Principal, Mar Athanasius International School.
